Dear friends and neighbours,

I last wrote for Dunlop Diary in February, when it was sunny as it is today, but icy cold. I'd been for a walk through fields around the village and forced to zigzag to avoid mud which lurked below the thin ice. At that time I shared with you my thoughts on the assurance that God accompanies us through life, with us whether the path is straight ahead and secure under our feet, or whether it is winding and sometimes a bit wobbly.

Since then my own path has been more than a little wobbly as I have been experiencing the darkness and strangeness of depression. I have to admit that there were times when God seemed very far away but when I was able to look and listen for him, I knew he was there with me, in the shadows.

Most of all, he accompanied me through you. Through your listening and understanding, your words and your silences, your visiting and your holding back. I am so grateful to you all for your prayers and support, for the many cards, letters, flowers and food which arrived at the Manse. God was very much present with you and through you. Thank you!

I'm gradually finding my path again, slowly but surely, and will be catching up with the events of village and church life - I missed out on all the excitement of the filming, although I did get to see the pews in the church.

I'll finish now with the words from Philippians 4:13 which were included in one of the cards I received - "I can do all things through Christ who strengthens me" - in time, and with His and your help!

Peace and love,

Alison

## **OPEN SUNDAY AFTERNOONS**

The church will be open every Sunday afternoon from 2pm – 4pm from May until the end of October. If you would like to spend some time in a peaceful building or to have a closer look at the beautiful stained glass windows, please come and visit the church.

The Clandeboyes Hall, alongside the church, is an 'A' listed building, which was built in 1641 and was one of the first free schools in Scotland.

Behind the Clandeboyes is the Hans Hamilton Tomb and the marble figures of the former minister and his wife have now been reinstated. You can visit both the Hall and the Tomb.

Greeting cards and a booklet about the wonderful stained glass are on sale.

If you are out for a walk please call in - you will be very welcome and, as always in Dunlop, tea, coffee and biscuits will be available.

**Dunlop Community Hub** is hosting a meeting in Merito on Thursday 5th September. Please note the time has changed from 7.30pm to 8.30 pm to accommodate a clash with the Community Council meeting which starts at 7pm. Unfortunately the clash could not be avoided but we hope those who wish to attend both meetings will be able to do so. The aim of the meeting is to discuss community engagement and the future of both Merito and the Community Hub.

**Friday night is cinema night!** Just as the autumn nights begin to draw in, the Dunlop Community Cinema returns with another Oscar-laden treasure trove of films. Our first film of the season is on Friday 13th September. 'First Man', the story of a monumental moment of human history and the man who was to become the first man on the moon. The exhilaration (and danger) of space exploration set against the backdrop of the sacrifices a grieving Armstrong made on his journey into the history books.

For our next film on 4th October, we remain in the 1960s with 'Green Book', the story of a working class Italian-American bouncer who becomes the driver to a world-class black pianist on a tour of the Deep South. Based on a true story, the odd couple bond as they travel through the states on a road trip beset with humiliations and prejudice. Brilliant performances from both Viggo Mortensen and Mahershala Ali, are what make this road movie something special.

The 25th of October brings another Oscar-winner, 'The Favourite'. A jet-black comedy/period drama set in the 18th century court of the gout-inflicted Queen Anne. Full of intrigue, Anne's court is rife with scheming and manipulation, and serves as the perfect background to the competition that develops for the Queen's affection between her oldest friend and lover, and a young kitchen servant. A rich, dark and sumptuous film, the three female leads (Olivia Coleman, Rachel Weisz and Emma Stone) are deliciously nasty. At the very least you'll come out of this with some interesting insults...

Make the most of your Friday night and join us in the Village Hall. Thanks to our voucher scheme, if you come often enough, and collect 5 'stars', your sixth film is free. So, why not come along and relax with a soothing beverage (alcoholic or non-alcoholic), some popcorn or ice-cream, we look forward to seeing you.
