Dear friends and neighbours,

It was lovely to see so many of you at our Harvest Service at the very start of October, and many thanks are due to Mrs Wilson and the children of the Primary School Choir who sang so well, and who encouraged us all to sing along with the Shopping Trolley song! Our service was followed by a much appreciated soup and sandwich lunch in the village hall, where there was much chatter and laughter. Many thanks to all the soup and sandwich makers, and those who served.

In November, the congregations of Dunlop and Caldwell Parish Churches will welcome Robbie Morrison, Regional Mission Development Worker with the Church of Scotland, who will guide us through a process called Future Focus. This might sound a little daunting, but other congregations who've already taken part in Future Focus have found it a very positive experience, and enjoyed the chance to come together and talk about the life of their church, and their hopes and dreams for the future. As I have already mentioned in church, my own very brief explanation of this is that it's an opportunity for us to talk about the past, the present and the future of our congregational life, with the emphasis very much on the future.

Every member of the congregation is invited to take part in Future Focus, and it is really important that your voices are heard. The first meeting will be held in the Church Hall on Tuesday, 14th November, from 7 - 9pm. The second meeting, a week later, on Tuesday, 21st November, will be held in the Mure Hall, Uplawmoor, and transport will be provided. The third meeting will see us back in Dunlop on Saturday, 25th November from 12.30pm.—4pm.

More information about Future Focus is in the leaflets available at church, or you could have a look at some of the very short videos about it on <https://www.resourcingmission.org.uk/mission/future-focus/future-focus-video-faq>.

Future Focus is for the whole congregation. Please come along and take part!

Wishing you all every blessing,

Alison

## Dunlop Community Cinema

As part of the Intu Film Festival, two free films will be screened on consecutive Thursday mornings. Aimed primarily at school pupils, 'The Eagle Huntress' will be shown at 10am on the 9th November and 'The Fits' at 10am on Thursday 16th. Members of the public are welcome to attend. 9th November now full.

'The Big Sick' will be shown on Friday 17th November at 7.30pm. This is a charming romcom based on a true story where a Pakistan-born boy meets an American girl, struggles with the clash of cultures then is forced to get to know her parents and face up to his family's expectations whilst his girlfriend lies in a coma. It is a genuinely warm and funny film and hugely enjoyable.

The next Film Club film is on Wednesday 6th December at 7.30pm and is part of the BFI India On Film season. 'The Crow's Egg' (Kaakkaa Muttai) is a comedy about two young brothers from the Chennai slums who set out to realise their dream: to get their first taste of pizza.

Finally, Christmas comes early to Dunlop - the Christmas film will be shown at 3pm on Sunday 17th December - a heart-warming classic which has not dulled with age - 'It's a Wonderful Life' will be a welcome diversion from the shopping...

As ever, there will be yummy ice-cream, crisp popcorn and cockle-warming wine and beer available at screenings (except the Intu Film events). If you are a DUNLIMITED card holder, or a Film Club member, you can also book your favourite seat online in advance, at no extra cost, through TicketSource:

## DUNLOP & LUGTON COMMUNITY COUNCIL

Our meetings are held on the first Thursday of every month (except January and July) in the Village Hall, Dunlop.

### News update

Mr George Corbett, Contracts Manager/Transport at East Ayrshire Council attended our September meeting to respond to parents' concerns regarding school transport issues. This meeting was well attended and parents' concerns were discussed.

The A735 Stewarton Road has recently been resurfaced. The community council are in regular contact with the Roads Department regarding outstanding road issues.

There have been a number of complaints regarding recent anti social behaviour around the village. Police Officers in attendance at the October meeting have urged the public to report all further incidents.

### Garden/window box competition

We are looking at the possibility of introducing a garden/window box competition for 2018. Further details to follow...

You can read all of the above and other news in the Minutes from our meetings which are displayed on the notice board outside Normans shop and in the Village Hall foyer.

(Please bear with us as work is in progress to update the community council website and Facebook page).
